### THE DESERT'S KISS

With every inhale, the desert blossoms into life

*Born in the spirit of desert oases, this hookah is served in a natural cactus bowl symbolizing strength and resilience. Refreshing herbal notes blend with subtle fruity sweetness — like the first sip of water after a long journey under the sun.*

### BLACK AFGANO

Not just a hookah, but a sensual ritual for connoisseurs of rich, multifaceted flavours

*Inspired by the iconic fragrance Black Afgano, this hookah is crafted as a true work of art: smoky cigar notes, woody accents, and delicate herbal undertones. The signature “Black Afgano” mix is gradually unfolding like a complex perfume, where each puff is a new layer of emotions.*
